INTRODUCTION AND OUR MOTIVATION

PokerLook is a revolution in NFT space, bringing advanced utility and value to its NFT avatars! Avatar NFTs have in-game utility in Pokerlook game which include: More rakeback when playing poker, bigger deposit bonuses, bigger affiliate %, and special discounts at in-game purchases..

By partnering with Myria, Pokerlook will offer 0 transaction fees built on Ethereum Layer 2 solution.

Our mission is to create value and bring fun back to the crypto industry. In our poker game, you can enjoy hours and hours of simple but addictive gameplay, gain achievements, stats, participate in weekly tournaments.

UTILITY

ORIGIN NFT AVATARS - 5000 SUPPLY

There are 8 legendary ORIGIN avatars randomly mixed in whole initial 5000 ORIGIN collection which provide insane benefits like full rakeback, big bonus at deposits in game and much more!

NFT staking

You can stake your PokerLook NFTs to earn passive income each day when you don't play the game, or simply invest in buying more PokerLook NFTs and add them to our NFT staking pool to earn more!

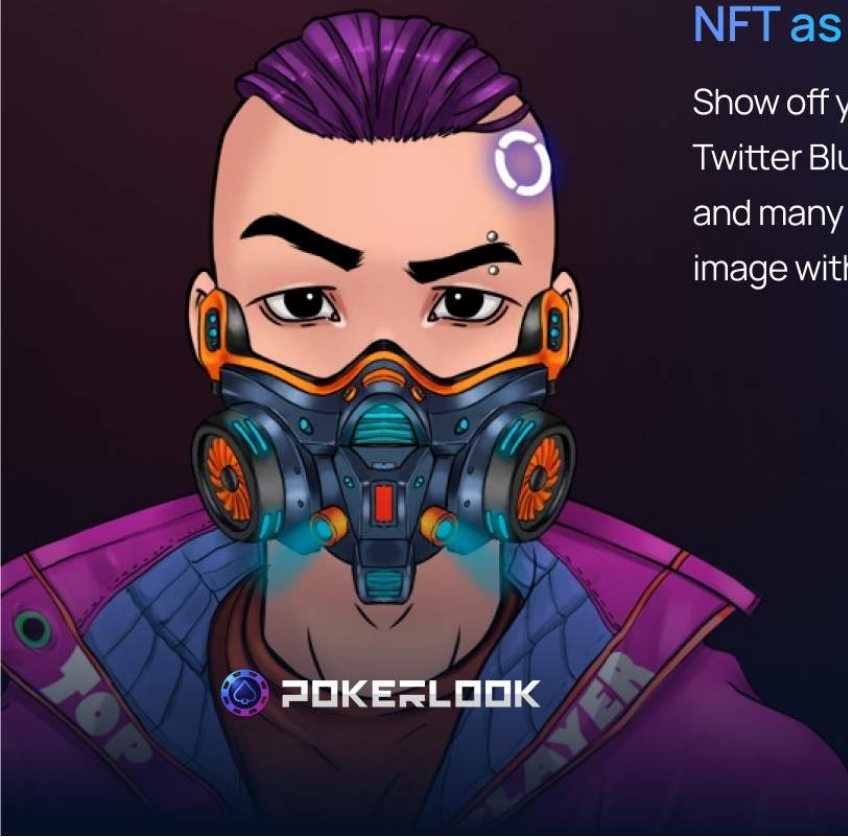

NFT Membership Cards

Similar to NFT Avatars benefits, Pokerlook Membership Cards give user specific bonuses and benefits in terms of bigger affiliate commissions based on Membership Card rarity.

NFT as social profile

Show off your PokerLook NFT Avatar as your Twitter Blue, Meta, Reddit profile image, and many more! - here we can show that image with hexagon avatars grid

GAME

Grab your PokerLook NFT avatar and join poker madness! By owning a PokerLook avatar you get amazing benefits in Pokerlook game with great rewards, achievements, weekly tournaments, and much more! The Initial version of our game is already released and available to play!

PokerLook Game is available on web for all devices and soon for Android, iOS and PC for ultimate play experience, powered by:

MYRIA PARTNERSHIP

Pokerlook exclusively partnered with Myria to offer 0 transaction fees on Ethereum L2.

Pokerlook NFT Avatars, NFT Membership Cards and all future NFT releases such as game addons, boosts, game cosmetics (poker tables, environment), will be sold exclusively on Myria.com marketplace.

Myria was founded by leading gaming and blockchain industry veterans from: Ubisoft, Activision, EA Games, Blizzard, Marvel, Epic games, backed by Goldman Sachs and more!
